Exhibitors are able to set up their space either the day before the event or the morning of the event. All exhibitors will need to break down their exhibition space at the conclusion of the day's agenda.

### Exhibitors will receive:

- Full access to the event Wi-Fi system
- Access to over 300 conference attendees
- 1 six-foot skirted table
- Room for step-and-repeat or other portable, stand-alone signage
- 2 chairs for attendants
