

A PLATFORM FOR **LEARNING**

BE A SCIENTIST'S ASSISTANT

Kids can turn your backyard into a lab and help scientists conduct research.

TOUR THE LOUVRE

Take a virtual tour of museums around the world – Van Gogh and Monet are just a click away!

GET IN THE GUINNESS BOOK

Kids can log summer reading hours online, win prizes, and even be part of a World Record.

VACATION...IN SPACE

Play astronaut this summer. Take a virtual tour of the galaxy, learn fun facts, and play games.

CLICK IN TO CAMP

Send kids to coding camp. They can learn app programming, video game design, or film editing.

WATCH A VIDEO – OR HUNDREDS

From pre-algebra to world history, the learning is endless with thousands of educational videos.

LEARN ON-THE-GO

Download educational podcasts and learn on the family's next road trip.

HAVE STORYTIME ONLINE

Listen together as authors read some of your child's favorite books.

GET QUIZ-Y WITH IT

From literature to geography, learn through interactive quizzes.

TRAVEL THE WORLD

Explore a virtual atlas and learn about new cultures...or just use it to plan this year's vacation.

GOOD DIGITAL PARENTING

A PLATFORM FOR **FUN** .

VISIT THE ZOO

Do it from home. Watch live animal cams and sneak peeks of cute critters.

BE A STAR

Turn videos and photos into shareable family movies. When you're done, add the soundtrack.

GO TO DIGITAL CAMP

Make cool crafts and go on virtual field trips this summer.

START A COLLECTION

From coins to stamps, learn how to get started and see what kids around the world like to collect.

GET YOUR GAME ON

Design and build a computer game. Can you say family project?

SPEND A NIGHT AT THE MUSEUM

Learn about cool artifacts and priceless artworks after dark.

HAVE AN ONLINE REUNION

Couldn't get the whole family together for a barbeque? Hang out online.

BE A MASTER CHEF

Have fun with kids in the kitchen, and learn cooking tips and tricks from top chefs. Bon appetit!

BLOG ABOUT IT

Start a family blog to chronicle your adventures and answer the "what did you do this summer" question.

GET CREATIVE

Make an animated story then connect and share with other creative geniuses around the globe.

GOOD DIGITAL PARENTING

A PLATFORM FOR **CHANGE**

- GET GRANDPARENTS ONLINE**
Help grandparents or local seniors connect by teaching them to use social media or email.
- SELL SOME LEMONADE**
Register your summer lemonade stand online and raise money to find cures for pediatric cancers.
- START A MOVEMENT**
Create an online petition for an organization or cause your family cares about.
- RECYCLE OLD TECHNOLOGY**
Host an electronics recycling drive and help everyone get rid of dead devices.
- SHARE YOUR KNOWLEDGE**
Be a virtual mentor for students who need a little extra help with school.
- MAKE CHANGE**
Buying online this summer? Support your favorite causes while you shop.
- EXERCISE FOR A CAUSE**
Planning any bike rides or hikes? Track your mileage and raise money for charity.
- VOLUNTEER**
Get online and find volunteer opportunities for the whole family.
- FRIEND-RAISE**
Get friends involved with causes you care about through social networks to raise money or awareness.
- HELP END HUNGER**
Put your vocabulary skills to the test and fight world hunger.

GOOD DIGITAL PARENTING

A PLATFORM FOR **DIGITAL CITIZENSHIP**

- BRUSH UP**
With great rights, come great responsibilities. Remind yourself what good digital citizenship means.
- GAME ON**
Help kids learn about digital citizenship through a space-themed game. Blast off!
- READ A STORY**
No one is too young for good online behavior. Start early with a picture book for young kids.
- LEARN TO BE LITERATE**
Telling the difference between what's true and what's not online can be tough. Learn the basics.
- HAVE A CONVERSATION**
Set aside some family time and discuss what digital citizenship means to you.
- MAKE SOME RULES**
Set guidelines for your online summer activities and sign a family safety contract.
- CLEAN IT UP**
Take some time to clean up your online reputation.
- ASK FOR HELP**
Have your kids teach you something about technology. They may know more than you think...
- START A BLOG**
Being a good citizen means having a positive online presence. Start building yours this summer.
- TAKE THE PLEDGE**
Pledge to be a good digital citizen and to use your online power for good.

GOOD DIGITAL PARENTING

A PLATFORM FOR **GO** .

GO ON AN ADVENTURE

Plan a hiking trip, learn about flora and fauna, or discover the science of s'mores.

SCAVENGE

Use your cell phone to take pictures of stuff you've hidden in the backyard then text the clues.

STARGAZE

Clear night? Print a map of the evening sky and do some stargazing outside.

FLY A KITE

Download a kite template online. Wait for a windy day and then test it out!

HUNT FOR TREASURE

Go on a real-life treasure hunt in your neighborhood.

BE SUN-SAVVY

Don't get burned. Get a UV ray forecast sent to you on-the-go.

SHOW AND TELL

Love to hike or camp? Blog about your adventures.

GET HEALTHY

Help kids make healthy food choices wherever they may roam this summer.

BE PREPARED

You don't have to leave first-aid behind when you travel – put it in your pocket.

START A LEMONADE STAND

Get the neighborhood together for some refreshments and raise money for cancer research.
